

THE BEER AND SPIRITS
OF SULA SELECTIONS

At Sula Selections, we love not only
our wines, but also spirits and beer.

That is why we have spent a lot of time
curating what we consider to be the best
selection of alcohol, from around the world.

Our vodkas are from Russia, our whisky
from Scotland, our rum from Barbados,
our brandy from France... We have kept
only the best, the ones we strongly
believe in. Cheers!
